## **PRESS RELEASE**

**NWCS** has been chosen as the preferred Operator for the Future Inland Intermodal Facility at the Port of Quincy. “NWCS has demonstrated its qualification to operate the Port of Quincy Inland Intermodal Facility throughout the interview and selection process as well as by its experience and success as an intermodal operator in the Pacific Northwest.” (Port of Quincy)

The project will include a 320-acre intermodal site that is strategically placed for container movement from Eastern Washington to the Ports of Seattle and Tacoma. **NWCS** will bring 16 years of intermodal operation to the Port of Quincy. Construction of the new site is expected to be complete in late Spring 2003
